### Area Methodists To Rally Today

Bishop Gerald Kennedy of Los Angeles will speak at First Church, Long Beach, today as Methodists gather from 49 churches of this area to celebrate the anniversary of the event that launched their denomination in England 225 years ago. This is one of a series of ten such rallies the Bishop will address during March in major cities of Southern California and Arizona.

Methodist look to the date of May 24, 1738 as the real beginning of their movement though there were "people called Methodists" before that time. It was on this day John Wesley, a minister of the Church of England and a don at Oxford's Lincoln College, experienced a personal transformation. Then began the warm-hearted preaching and lively zeal for social righteousness that have characterized the denomination down to the present.

The Lenten series of rallies will concentrate attention on the meaning of membership in the Church, with special recognition of those preparing for admission to Methodist rolls during the Easter season and other new members. Also in attendance will be persons working in Evangelism in local churches, Inquirer's Classes and Fishermen's groups.

Held under auspices of the Conference Board of Evangelism, the meetings will give incoming members an opportunity to hear and meet the Bishop, and understand their connection with the world mission of the church.

### Wesleyan Guild Enjoys Dinner

Wesleyan Service Guild of First Methodist Church held its monthly dinner meeting at the church recently and the tables were decorated in keeping with a theme of Washington's birthday by Mrs. Ruth Margart and Miriam Gunter.

Mrs. Catherine Baker led a discussion on "Dimensions of Prayer."

Following the program was an account by Mrs. Ethel Hutchison of a trip to Cincinnati, Ohio, where she witnessed the commissioning of her daughter, Mary Lou, as a deaconess.

The program was concluded by a worship service conducted by Mrs. Evelyn Warden.

### League of Women Voters Plans Candidate Meeting

To enable the voters of Torrance to have opportunity to hear all candidates for the school board, the Torrance League of Women Voters will conduct a "Know Your Candidates" meeting at 8 p.m. Wednesday, April 3, at South High School.

Following closing of filing intention to run for office Friday, invitations to appear were mailed to all candidates. They will be afforded equal time on the platform.

Following individual talks, candidates will participate in a question and answer period conducted by a moderator. Accompanying the invitations were questionnaires compiled by the league which are intended to give candidates equal opportunity to express their points of view on leading issues in the campaign.

Answers to the questionnaires will be reprinted and distributed at the meeting. Results will be made available to the general public, according to Mrs. William Geisert, voters service chairman of the league.

Among the questions asked on the questionnaire are items dealing with curriculum, caliber of teachers, budget allotments, summer school program and special services. In addition, each candidate is asked to express his primary objective in running for office.

### Boy Scout Gets Religious Award

### FAITH OF OUR FATHERS...

By THOMAS JEFFERSON (1821)

I have sometimes asked myself, whether my country is the better for my having lived at all? I do not know that it is.

I have been the instrument of doing the following things (Declaration of Independence, Bill for Religious Freedom); but they would have been done by others, some of them, perhaps, a little better.

We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the pursuit of Happiness.

That to secure these rights, Governments are instituted among Men, deriv-

We the General Assembly of Virginia do enact that no man shall be compelled to frequent or support any religious worship, place, or ministry whatsoever.

Nor shall (any man) be enforced, restrained, molested, or burdened in his body or goods, or shall otherwise suffer, on account of his religious opinions or belief.

All men shall be free to profess, and by argument to maintain, their opinions in matters of religion, and that the same shall in no wise diminish enlarge, or affect their civil capabilities.
